

Day 4 – AP Biology – 8-19-24

NO CELL PHONES, EARBUDS, HEADPHONES - On Schoology: Submit WarmUp after completing.

WARMUP–The Chemistry of Life–(10 min)

CHNOPS: The Six Key Elements of Life

Most biological molecules are made from covalent combinations of these six elements

1) QUIZ REVIEW (10 min): Review QUIZ Questions & Answers to prepare for quiz.

2) QUIZ: On a sheet of lined paper, write the title, proper heading, and answer quiz questions. Use a pen (black or dark blue) to answer the questions.

When you are done with your quiz, turn it over and place it in front of you: The completed quiz is your exit ticket once the bell rings.
