

Day 12 - Biology - 9-10-24 to 9-11-24

CLASSWORK - Ecosystems & Communities

NO CELL PHONES, EARBUDS, HEADPHONES

On Schoology - Submit immediately after completing.

Difference Between Biome and Ecosystem

Biome
Biome is a large area of land or water or both governed by similar climatic conditions.

Ecosystem
An ecosystem is an ecological organization in which biotic and abiotic communities or entities interact.
