

Day 7 - Forensics – 8-26-24 to 8-27-24

WARMUP (10 min) – Crime Scene Investigation

1) <https://archives.fbi.gov/archives/about-us/lab/forensic-science-communications/fsc/april2000/twgcsi.pdf>

2) https://www.sandiegocounty.gov/content/dam/sdc/deh/hmd/pdf/hm-meth_psa.pdf

1) Why is the **initial response** to the investigation of a crime scene critical?

2) The above FBI guide was published in **1999**: How is that important in applying its use to current crime scenes?

3) What are some of the special considerations when investigating **clandestine drug labs**?

Submit the assignment on Schoology once completed.
